At Victoria Warehouse, we're used to building an exclusive party from the ground up; working with our clients to create their ultimate party vision.

Our aim is to make your evening iconic. With lighting, audio and atmospheric choices, we're able to design any kind of momentous event:

**Birthday • Engagement • Staff Party

Whatever the occasion, we're offering an unmissable package of **complimentary room hire and a minimum bar spend of £1,500.00***. The rest is up to you.

Tables, chairs, decor, music, photo booth, cake, fizz, entertainment - the blank canvas is yours to transform. Additional extras are available if you wanted to increase your package.
