HELPING YOU PARTY SINCE 2013

# APRÈS SKI PARTY ON THE SLOPES THIS CHRISTMAS

*Your Christmas Party starts right here...  
Who's ready to hit the slopes this Festive Season?*

We're throwing an Alpine Bash at Victoria Warehouse; and this is one party you do not want to miss!

With an Après Ski themed venue for Christmas 2019, we plan to throw snowballs of great food, thirst-quenching drinks and 'can't keep still' entertainment at you – so we urge you to dress for the occasion; Fancy Dress is absolutely welcome and highly encouraged!

We have five venue spaces suitable for private parties of 30 to 3,000; so be sure to get in touch with your requirements and we'll build you a completely bespoke proposal to suit you and your guest's party needs.

When the big night arrives, you will be greeted by our alpine rep's who will escort you to your very own party space and handed a complimentary wintery cocktail to kick start the evening. Once you've settled in we'll start the food service, allowing you to indulge in the lip-smacking dishes we've designed for 2019's Alpine extravaganza. The rest of the evening is yours – dance, sing, rave and let your hair down. You deserve it!

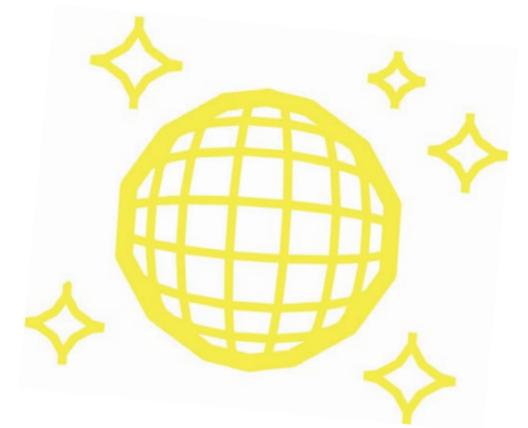

Grab those Victoria Warehouse ski passes, and we'll see you at the bar!
